

EIGHT

Developments

We provide real estate properties and solutions following our concept of balancing and harmonizing quality and prices, where our customers get the best facilities and amenities alongside convenient prices and suitable payment plans.

Who

Are

We

A hand in a dark suit jacket with a white cuff is resting on a textured, light-colored pillar. The background is a warm, golden-hued city skyline at dusk or dawn, with various skyscrapers and buildings. The overall tone is professional and aspirational.

Our Vision

Bring smart solutions and elite properties with all the desired prices, amenities and payment plans to the real estate market.

Our Mission

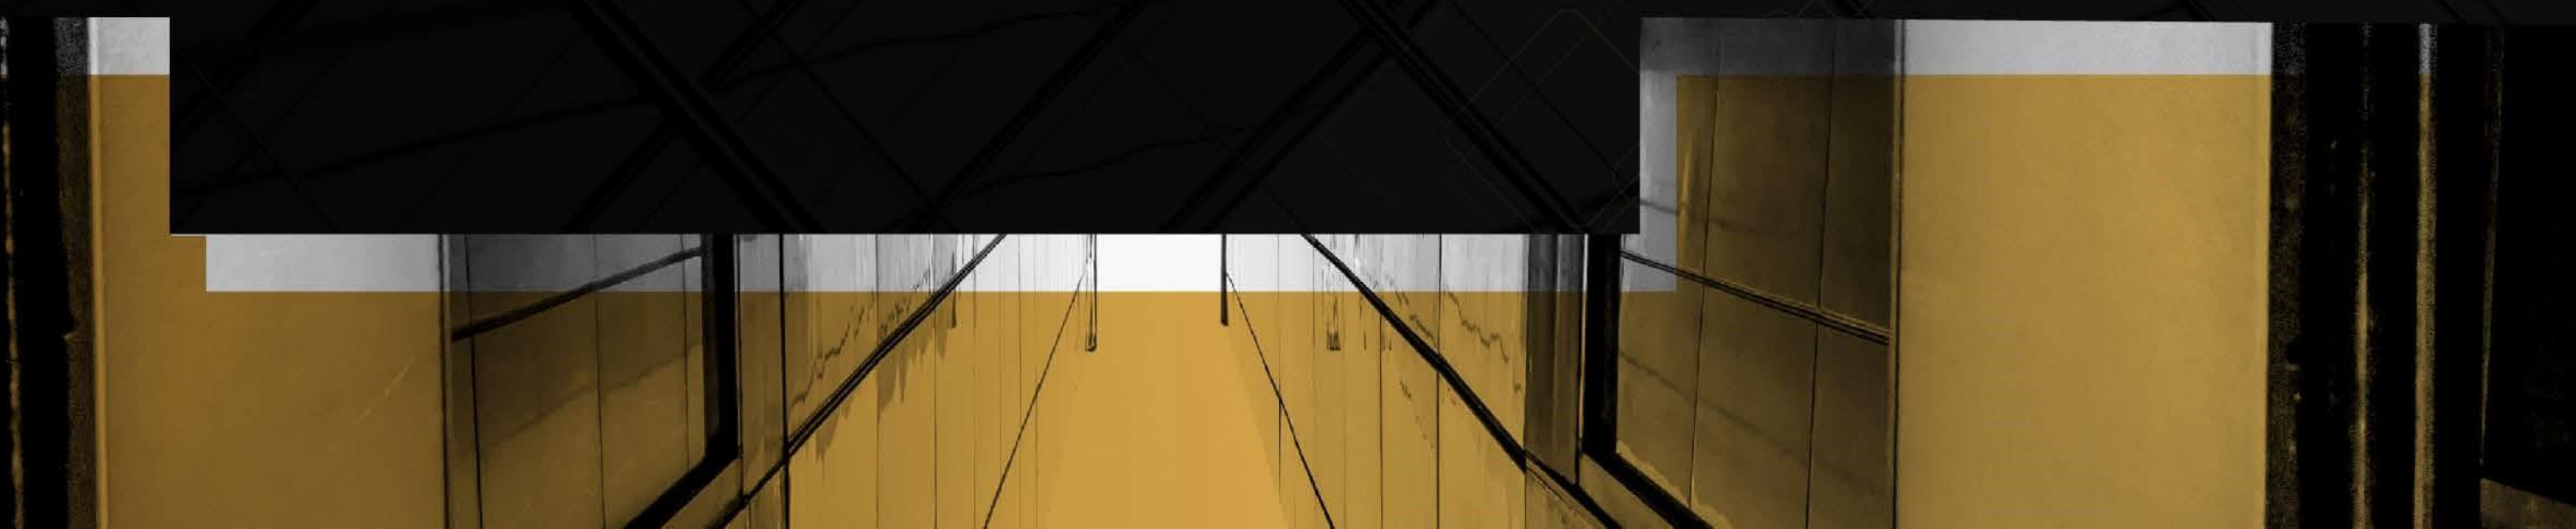

We aim to harmonize the quality and price of real estate properties, and provide our clients the property they dream of effortlessly with a huge variety, and make each property diverse on its own, in amenities and qualities that makes our client content and comfortably living and working.

Our

Products

Line

While developing our products lines, we rely on holistic market research to identify our customers need and the best locations to build in, to provide what our customers want with luxurious facilities, the most convenient prices, and payment plans

Residential Line

We provide the right units and real estate solutions tailored around our customers' needs and provided to them with love, taking into consideration all the facilities they need to live their best life, with the impeccably designed units, and the most ravishing facade.

Commercial Line

We provide a specific line for investors and business enthusiasts, where we carefully pick the locations and facilities to grant the factors that bring a return on investment, in the most profitable areas with convenient prices.

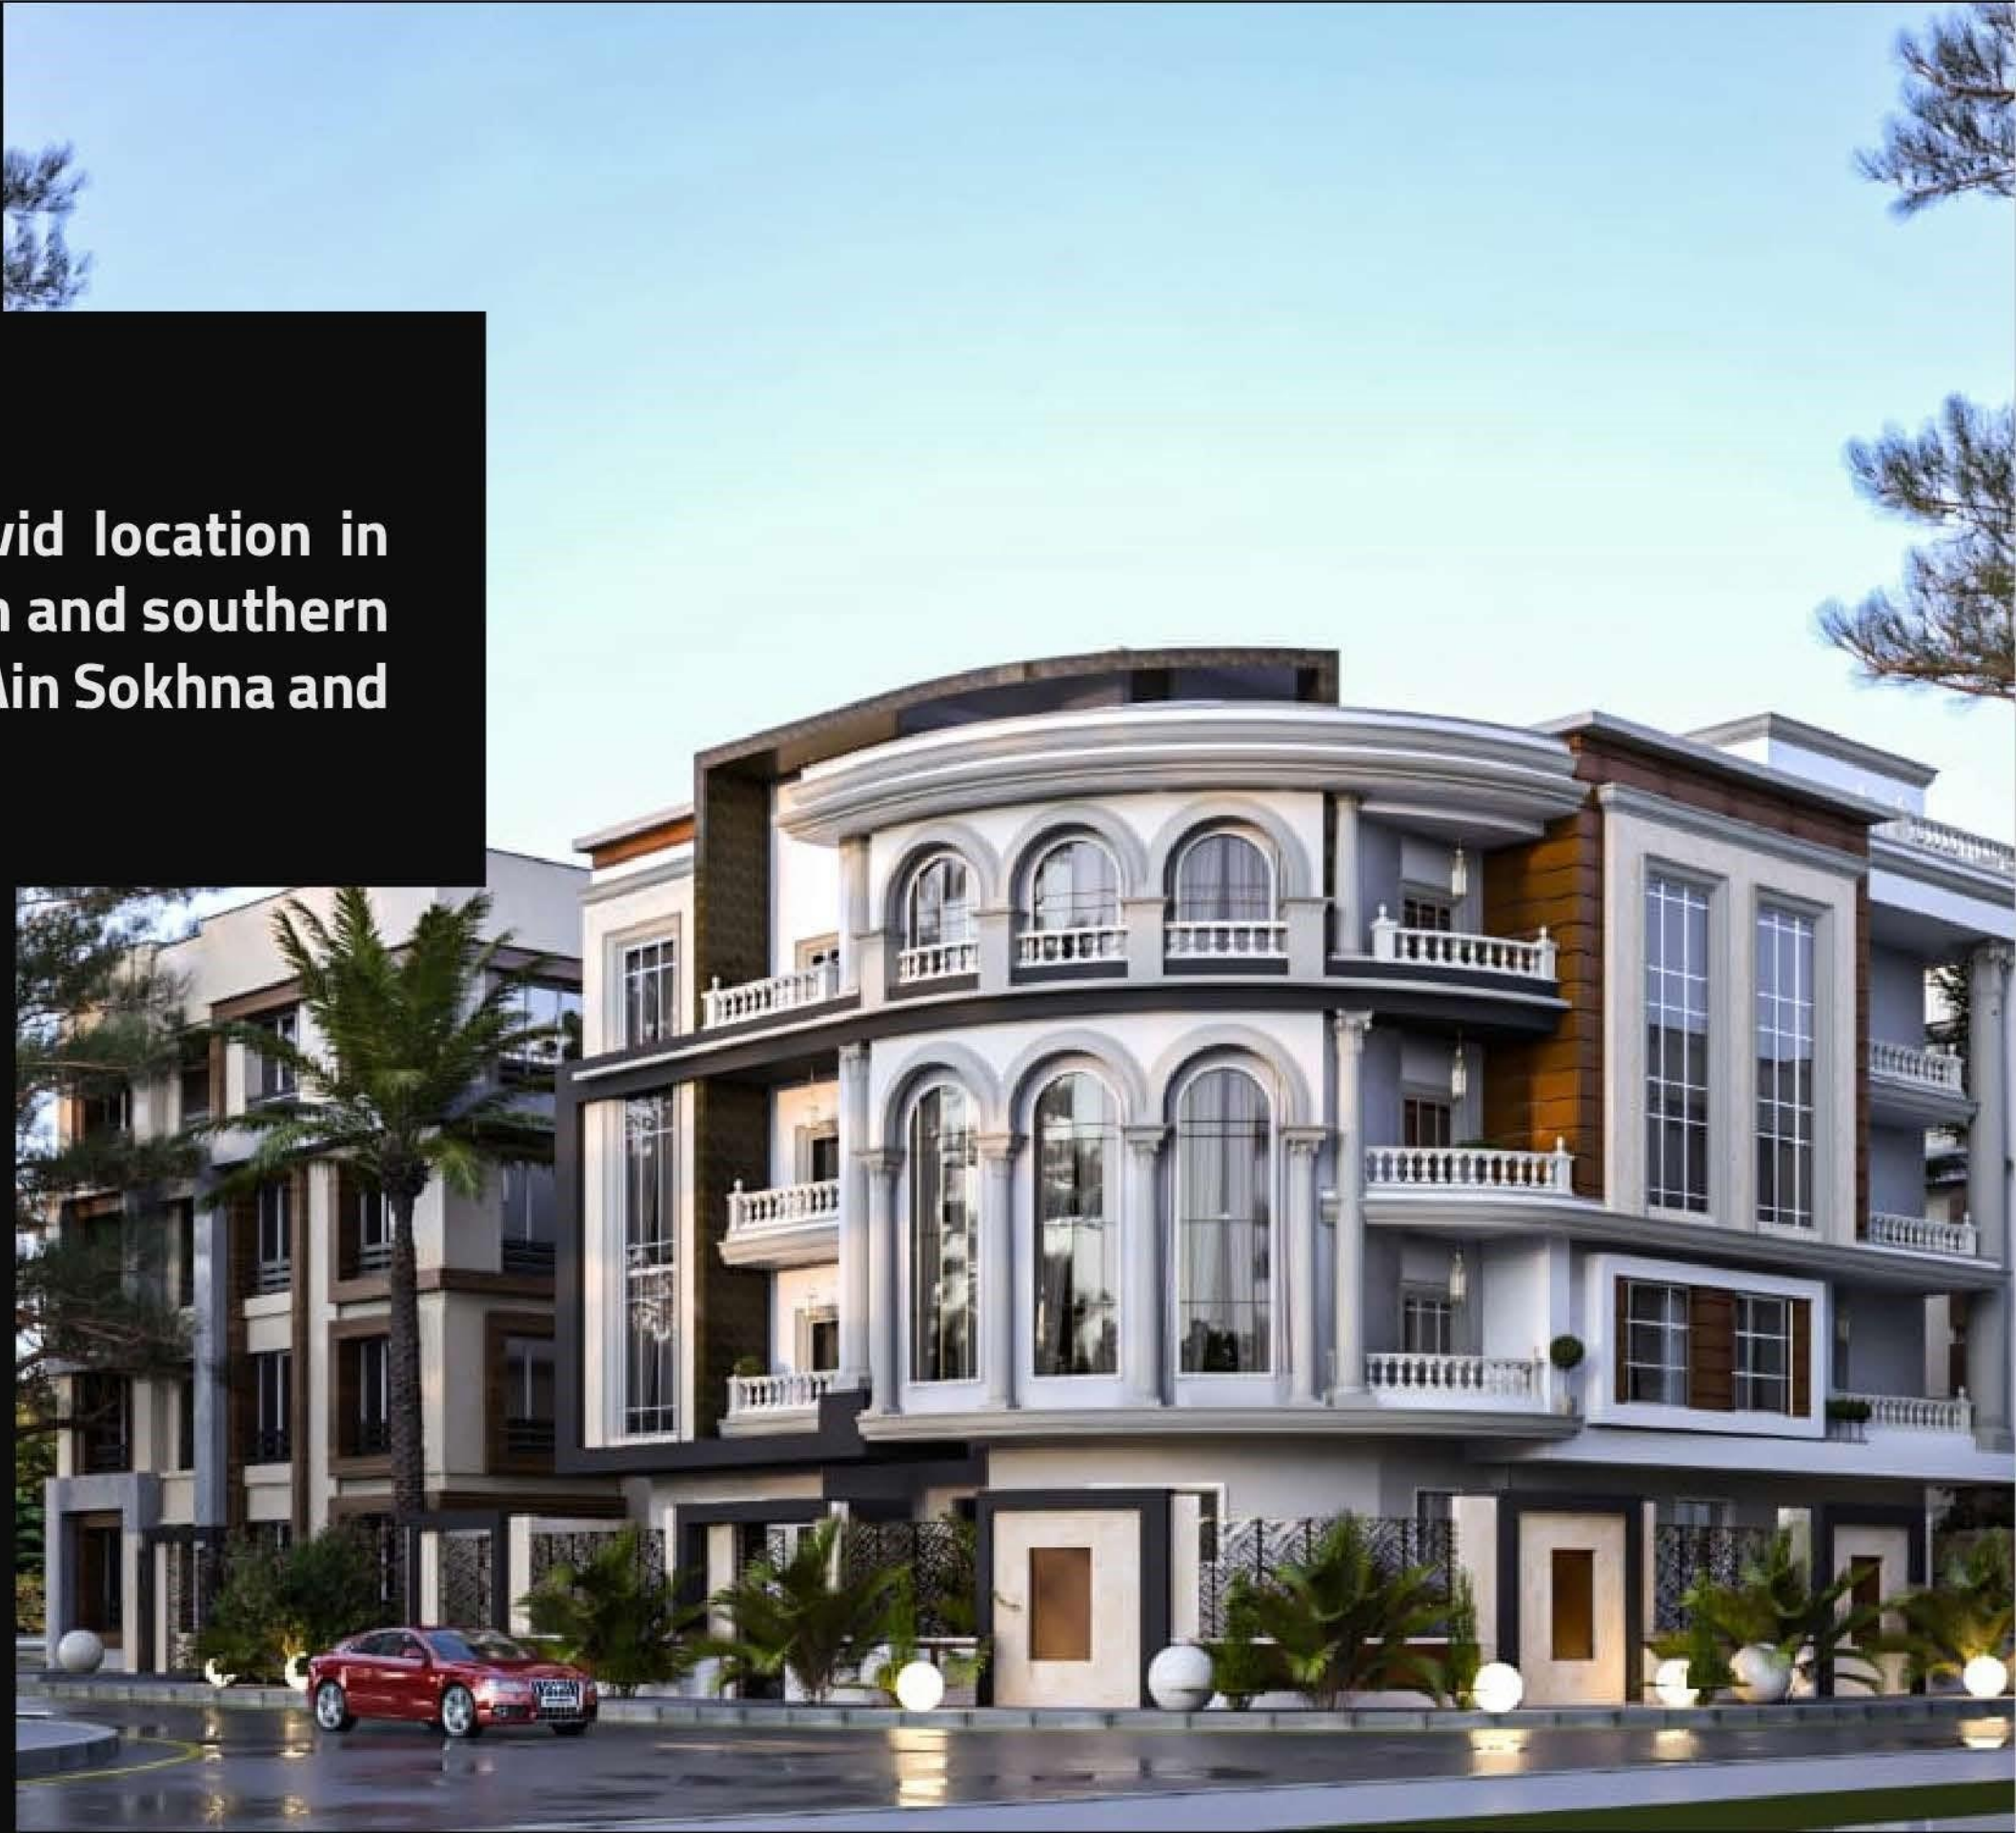

Projects Location

North Al-Rehab City

North Al-Rehab city is distinguished by its unique location in El-Rehab city, close to Al-Rehab city and Beit El-Watan, which provides an unprecedented opportunity for living and investment, and from the west, there is the family garden, which is the first garden of its kind in the Middle East. In addition to full access to facilities as it is next to the eastern market in Al-Rehab city, which includes many banks and various shops, cafeterias and restaurants.

New Al Narges

New Al-Narges has a vibrant and vivid location in New Cairo, surrounded by the northern and southern 9th streets, AUC and GUC. Also close to Ain Sokhna and Hurghada road.

Beit El-Watan (5th Settlement)

Beit El-Watan is located in a strategic area, as it is considered as a link between the new administrative capital and new Cairo, and is on the extension of both Madinaty and Al-Rehab city; it is close to all the sports clubs in the area, Al-Ahli, platinum club, and wadi-degla club, Each neighborhood has its own integrated services area, buildings are just 10% of the whole landscape that gives it a breeze of fresh air and expansion of green spaces.

CAPE TOWN ...

IS HERE

A person wearing a yellow sweater is sitting at a desk, looking at a document with various charts and graphs. A laptop keyboard is visible in the foreground. The background is dark with a faint geometric pattern.
